

OUR THANKS TO OUR ANNUAL LUNCHEON SPONSORS

Judging from the response from guests, the Annual Luncheon proved to be a successful day and was enjoyed by all. BFFF take this opportunity to thank member companies who have generously contributed sponsorship to this year's Annual Luncheon. Their support of the Federation's work is greatly appreciated.

So, our thanks to Cargill Integra for sponsoring the audio visual services, to Iceland Foods for their sponsorship of the seating brochure and to Kara Foodservice for sponsorship of the Luncheon competition. As members attending the Luncheon will know, Kara Foodservice took the opportunity to use the Luncheon as a platform to launch their new brand identity as part of their move to a fully dedicated foodservice provider. Readers can find more news of that later in this Bulletin.

In conclusion, the support of our sponsors enhances everyone's enjoyment of the occasion and we are very pleased to have the backing of such prominent companies within the frozen food industry.
