

'AUNT BESSIE'S' BACKS BFFF AT INDUSTRY EVENT

We are happy to announce that we will again be completing the Gala Dinner Dance evening in our time-honoured way by organising a traditional breakfast at the end of the evening on 14th June 2007.

What better name to be associated with this traditional feature of the event than 'Tryton Foods – Home of Aunt Bessie's'.

We are grateful for the long-standing support of Tryton Foods, whose generous support enables us to provide an extension to the networking opportunities on the night and a wonderful way in which to finish the event.

Our grateful thanks to Neil Sanderson, John Hendy and the Tryton team for helping us to keep the networking opportunities open and providing much needed sustenance into the small hours.
